

Parental Consent Form for the Use of Unfiltered Internet Workstations

Parental consent is required for children who are under the age of 14, and are not yet in high school, to access information on the Library's public internet computers, without the accompaniment of an adult. The parents must assume responsibility for their children's use of the internet through the Library's connection. **This form must be completed and signed by a parent/legal guardian prior to use of the internet by the child.**

As a parent or legal guardian of _____,

I have read the Trent Hills Public Library's Internet Access Policy. I understand that this access is designed for educational purposes. **I will accept full responsibility** to ensure that my child is aware of your policies and adheres to them. The Library will not be held responsible if the child does not follow the Library internet policy or any restrictions posed by the parent. I understand that the possible consequences of my child's non-compliance with this policy include the loss of internet use privileges and/or expulsion from the library.

I hereby give permission for my child to use the unfiltered internet workstations at the Trent Hills Public Library.
